MISSION STATEMENT: TO BE EDUCATED

If I learn my ABCs, can read 600 words per minute, and can write with perfect penmanship, but have not been shown how to communicate with the Designer of all language

I have not been educated

If I can deliver an eloquent speech and persuade you with my stunning logic, but have not been instructed in God's wisdom,

I have not been educated

If I have read Shakespeare and John Locke and can discuss their writings with keen insight, but have not read the greatest of all books – the Bible – and have no knowledge of its personal importance,

I have not been educated.

If I have memorized addition facts, multiplication tables, and chemical formulas, but have never been disciplined to hide God's Word in my heart.

I have not been educated

If I can explain the law of gravity and Einstein's theory of relativity, but have never been instructed in the unchangeable laws of the One Who orders our universe,

I have not been educated

If I can classify animals by their family, genus and species, and can write a lengthy scientific paper that wins an award, but have not been introduced to the Maker's purpose for all creation,

I have not been educated

If I can recite Gettysburg Address and the Preamble to the Constitution, but have not been informed of the hand of God in the history of our country,

I have not been educated

If I can play the piano, the violin, six other instruments, and can write music that moves men to tears, but have not been taught to listen to the Director of the universe and worship Him,

I have not been educated

If I can run cross-country races, star in basketball and do 100 push-ups without stopping, but have never been shown how to bend my spirit to do God's will,

I have not been educated

If I can identify a Picasso, describe the style of da Vinci, and even paint a portrait that earns an A+, but have not learned that all harmony and beauty comes from relationship with God,

I have not been educated

If I graduate with a perfect 4.0 and am accepted at the best university with a full scholarship, but have not been guided into a career of God's choosing for me,

I have not been educated

If I have become a good citizen, voting at each election and fighting for what is moral and right, but have not been told of the sinfulness of man and his hopelessness without Jesus Christ,

I have not been educated

However, if one day I see the world as God sees it, and come to know Him, Whom to know is life eternal, and glorify God by fulfilling His purpose for me,

Then, I have been educated!

E2
General

Welcome at Le-Amen Education Centre. We trust that it will once again be a wonderful year. Le-Amen wishes each family a prosperous and most joyous year ahead.

Le-Amen was born out of a passion for home schooling. All the memories, blessings and success keep us going. To home-school your child is indeed a privilege and can never be measured with money! It is always a pleasure working with home-school students.

We have seen many excellent students come and go throughout the years. Many of them are now married and even home-school their own children!

The Le-Amen Education Centre was established in 1995. The name “Le-Amen” means “to train, to prepare and to guide a person”

Enjoy your children. Before you know, they are grown!

Please feel free to phone, should there be any query

“Mama exhorted her children every opportunity to “jump at the sun”.

We might not land on the sun,
but at least we would get off the ground!”
